

# Flushmate® Pressure Assist Systems

The most efficient flushing technology in the world.

## Each Kit Contains:

- A Flushmate Replacement System (either 1.6 or 1.28 gpf)
- Handle Replacement Kit

## Advantages of the Flushmate upgrade

- Proven technology with 30 years of experience
- 10 year limited warranty
- Field-Tested, Plumber-Approved

These kits include everything you need to make the conversion and adapt for either left-hand or right-hand tanks. The kits replace all previous change-out kits: M-101526-F3EK, -F3CK, -F3GK, -F3PK, -F3ERK, -F3CRK, -F3HCK, -F3H-GK, -F3HMK, and -F3HEK.

**IMPORTANT.** You can upgrade the following systems to Flushmate.
